### IN – HOUSE TRAINING PROGRAMS

All the listed programs can be conducted as In –house Training Programs for your respectful delegates in your organization. This arrangement can provide you with some attractive advantages, save on travel, accommodation costs and multiple registration fees. Your delegates will benefit from the open discussion with confidentiality. Training your delegates as a group, will give them a chance to share their ideas and opinions and to support each other and implementing them as a team. We can customize the training program to suit your specific needs and requirements of your organization and background of the participants. All your delegates will get attendance certificates from PROMIS at the end of the program.
